RTA buses to serve Antioch

Most Antioch residents have expressed the feeling that the Regional Transportation Authority (RTA) is a nice place to visit but they wouldn't want to live there. Well, alas and alack, they're stuck with it. It's a monster created by law, and it's here to stay.

WHEN VOTERS IN THE six-county RTA area approved the taxing body there were no plans for providing service to the Antioch area, which voted against the RTA.

But on Monday, Feb. 13, an RTA bus route will begin servicing this area.

There will be RTA bus transportation from Channel Lake and Oakwood Knolls to downtown Antioch. From here it will extend to Lake Villa, Lindbergh, Grayslake and Fox Lake, connecting with commuter trains and also

LAST WEEK, BEFORE the sub-zero temperatures arrived, the weather was nice enough to take the little ones downtown. Joanne Springer (left) and Judy Moffat had a cute way of transporting their tykes. Joanne carried Jessica, 10 1/2 months, in a back pack while Judy pulled her 8 1/2-month-old twins, Jackie and Jenny, in a new wagon given to them by their grandma, Marge Maeriz. Their little friend in the dark, Peter Andy Reeves.

You can never tell how much you can do until you try. And the only way to know is to try.

Police catch 2 in theft attempt

Two men were caught in the act of attempting to steal a car from a parking lot in Antioch. The men, who were identified as John Doe and Jane Doe, were seen running away from a car when they were spotted by police. They were arrested and taken to the police station. The car was recovered and returned to its owner.

RTA will 'listen' here on Jan. 19

The Antioch Village Hall, 17 Main St., will be the site of a Regional Transportation Authority "Listening Post" from 10 a.m. to 1

p.m. on Thursday, Jan. 19. Residents of Antioch will have the chance to meet with Keith Ryan, Lake County Regional Affairs

Officer, and discuss their transportation needs. In addition, other RTA personnel will distribute route maps, timetable brochures and reduced fare cards for senior citizens.

NEW EMPLOYMENT SERVICE - Nancy Kinas (right), executive secretary of The Antioch Chamber of Commerce and Industry, checks out the new microfilm system in the Chamber office, near the

village hall. At left is Joyce Clement of the state employment service. The Antioch Chamber has agreed to be a "clearing house" for employers seeking help and persons looking for jobs.

Chamber to help folks find jobs

The Antioch Chamber of Commerce and Industry is now offering an employment service in collaboration with the Illinois Department of Labor.

A listing of available jobs will arrive daily at the Chamber office, formerly the township office at Main and Orchard streets.

Interested persons can view the openings on a microfilm screen.

JOYCE CLEMENT, EMPLOYMENT service manager representative from Fox Lake, said the listings range from executive job openings through skilled, semi-skilled and labor.

We want to give the applicants in the Antioch area

she said, "so we hope employers will contact the Chamber and take part in the program. There is no fee; this service is paid for by state tax dollars."

Nancy Kinas, executive secretary of the Antioch Chamber, can be reached at 395-3381 from 9 a.m. until 5 p.m. Monday through Friday.

PEOPLE LOOKING for jobs can be assured their search will be kept confidential, she said.

Mrs. Clement said there is always a particular need for secretaries who can type 45 to 50 words a minute, as well as mechanical draftsmen, machinists, and tool and dye makers.

RTA plans bus service

(Continued from page 1)

with buses to Waukegan and the College of Lake County.

THE BUSES WILL RUN approximately every two hours between 6 a.m. and 6 p.m. They will circle the Antioch business district. Schedules will be available soon. The cost will be 60¢ a ride and 30¢ for senior citizens. The buses will be timed to reach transfer points simultaneously.

Last week Mayor Mike Haley, Village Clerk Marilyn Stenberg and Police Chief Jack Wells rode the route on a big, new, red, white and blue RTA bus.

"I don't think we're getting everything we asked for, but we're getting more than was originally offered to us," Mayor Haley said.

He said the Antioch bus service, which is being paid for by residents' tax money to the RTA, is a result of village officials attending all of the public meetings held in Lake County by the RTA.

"I THINK WE GOT across our point that our local transportation needs are buses that bring people from outside the Antioch business district into the Antioch business district," Haley said.

We don't need a big, red, white and blue bus, we need a bus that can take people from the College of Lake County and Waukegan into the Antioch business district. A service that can take people from the College of Lake County and Waukegan into the Antioch business district.

Harry Stewart predicted Antioch would route Grant

They will become a reality at a future date.

"I never felt we could get out of the RTA," Haley added. "My only point was that we weren't getting our slice of the pie, and we still aren't. But by letting them know we want our share of what we're paying for, the RTA is starting to include us in its plans."

Legion leader Al Swenson dies at 81

Frank Al Swenson of Deep Lake Rd., Antioch, died at the age of 81 last Saturday at Victory Memorial Hospital in Waukegan.

He was well-known for his work with the American Legion. He was a past commander and life member of the Antioch post.

Mr. Swenson also was superintendent of Lake County's veterans assistance commission for 16 years.

He was born Feb. 26, 1896, in Kenosha, Wis., the son of the late Oscar and Anna Swenson. Mr. Swenson operated farms in Spring Grove and Antioch, and was a member of the Lake County Farm Bureau.

HE ONCE SAID he became interested in helping veterans when he was "laid up" himself in 1936 with a hip injury. In his veterans assistance post he helped indigent veterans, and aided veterans in filing claims and applying for pensions.

"We try to put veterans back on their feet and get them steady employment," Mr. Swenson said. "Our idea is to help rehabilitate the veterans' families, not just to provide them with food and other shelter temporarily."

Mr. Swenson served in the U.S. Navy aviation corps during World War I and was a 50-year charter life member of Antioch American Legion Post No. 740.

He also served as a past commander and past service officer. He was currently the post chaplain.

He was a member of the Millburn Congregational Church, the AARP of Antioch and was well-known as a cabinet maker. He married Ellen Protine on Oct. 19, 1920, in Waukegan.

SURVIVORS ARE his wife, Ellen, three sons: Francis E. (Whitewater, Wis.), Robert (Antioch) and George (Peggy), Grandwood Park, one daughter, Mrs. Nancy

Lester, Zitkus (Antioch), one sister, Mary Swenson Kenosha, Wis., 13 grandchildren and 3 great grandchildren.

He was preceded in death by two sisters, Mrs. Madeline Miller and Elsie Swenson, and four brothers: Earl, Herbert, Ernest and Roy Swenson.

FUNERAL SERVICES WERE HELD Tuesday at the Millburn Congregational Church, with the Rev. Donald McPeck and the Rev. L. H. Messersmith officiating.

Interment with full military honors was at the Warren Cemetery, Gurnee.

Friends called at the Strang Funeral Home, 1055 Main St., Antioch, on Monday. Legion services also were held.

Friends can make contributions to the Antioch Rescue Squad or the Millburn Congregational Church in Mr. Swenson's memory.

Real estate firm plans celebration

Century 21 Michael Warren & Co. will celebrate the opening of its new real estate offices on Saturday and Sunday, Jan. 21-22.

The firm has moved to 974 Main St.

"Food and beverage will be served throughout the two days. All Antioch and surrounding townships will be welcome," Mr. Warren said.

"Parking, at long last, will be no problem," he said. "For a long time we have felt badly that parking was such a problem for our customers. Our new location has given us the opportunity to improve the Quality St. and Main St. corner while, at the same time, obtain a building designed for real estate and feature plentiful off-street parking."

Frances VanHaecke, office manager, said:

"We are all looking forward to providing even greater service from our new location."

Three associates of the Warren office, Edna Dalgaard, Justine Lubkeman and Fred Johnson, were recognized at the Century 21 convention in New Orleans last week for their sales records. Each received the coveted "Sales Master Award" for dollar volume of sales and commissions.

Karl May, German author who became famous in the 19th century for his cowboy and Indian stories about the American Wild West, never traveled outside of Germany.

Sorry, Cathy Haley zipped when she should have zaggged.

Cathy, one of the owners of The Older Adult, fell in the driveway and broke her hip. After undergoing surgery last week, she found that it will be quite a few months before she's back on her feet.

Cathy is at Veterans Memorial Hospital but should be home in a few days. She says she would have no trouble taking care of her business affairs.

OUR CONGRATULATIONS to Bill Patterson of BJ's Fashions.

Bill, as you know, is the president-elect of the Chamber of Commerce. He will replace Dick Kirkpatrick at the installation dinner dance Saturday at The County House.

We're sure Bill will keep the chamber active with a variety of promotions for the lively downtown area. Best of luck, Bill.

THIS COLD WEATHER certainly leaves something to be desired. However, we must try to make the best of it.

Einar Petersen is honored at 50-year party

Einar "Swede" Petersen of Alima Terrace, Antioch, was the guest of honor at a retirement party in recognition of his 50 years of work for the Lake News Service.

The event was held last Saturday night at The Country House.

Mr. Petersen began working for the newspaper distribution business in 1928.

ATTENDING THE PARTY in his honor were former employees and officials of the firm as well as members of Mr. Petersen's family. His wife, Leona, son, Richard, and four of his five daughters were able to attend. His daughter Virginia lives in California. The four daughters who could be in Antioch for the occasion were June, Doris, Phyllis and Sigrid.

Mr. Petersen went to work for the firm for "one day," driving a truck for C.E. "Bud" Hennings, owner of the business who happened to be sick that day. Instead, it became a permanent job, lasting 46 years. It also had a romantic benefit when Einar met Mr. Hennings' daughter Leona, and married her three years later.

EINAR recalls that his father-in-law gave the newlyweds two days off for a honeymoon but they never made it to Michigan because of flat tires.

Einar and Leona lived on Spafford St. in Antioch for 16 years. Through the years Einar was a village board trustee, president of the fire department and president of the rescue squad.

He recalls working, in 1928, seven days a week, 12 hours a day for \$17 a week.

The company truck lacked a heater so on cold days Einar would take a fire brick from the furnace to keep warm on trips to Chicago to pick up newspapers.

At last Saturday's dinner he received many gifts, including a copy of the Chicago Daily News from Jan. 1, 1928, which featured a story about Charles Lindbergh.

In a dispute over mathematics, 16th century astronomer Tycho Brahe, fought a duel and lost the tip of his nose. He had it replaced with a gold tip.

Women of the Moose

By Jean Polson

Child care chairman Audrey Pickett and her committee were in charge of the Jan. 5 chapter night program. After introducing members of her committee, she presented a check to Senior Regent Judy Cook for the gift to Mooseheart for the children's Easter Fund.

A taxonable ballot was cast for Kathy Gubel, who will be enrolled at a later date.

THERE WILL BE an enrollment of new members on Jan. 19. Formals are requested. All who are planning to be at the ritual ceremony should be present at the new year meetings for renewal.

Antioch will be the host for Chapter Rally Day on May 1. Those unable to fill their claims should notify the senior regent.

Sequoits (5-0) face Dundee

An Antioch High School basketball team that is moving in the right direction, in the words of Coach Roger Andrews, gets another chance to show its ability Friday night.

The Sequoits, who lead the North Division of their conference with a 5-0 record, will play an 8 o'clock home game against the Dundee Cardinals.

Dundee has a 3-2 record in the South Division of conference play and shares first place in that division with Wauconda and Woodstock.

LAST FRIDAY, DUNDEE scored a 55-48 win over Wauconda. Dundee is a strong rebounding team with three lettermen who are good shooters. 6'4" center Brett Becker, 6'3" guard Chris Garhet and 5'11" guard Dave Boedighim.

Antioch will be a slight favorite in the game. The Sequoits were impressive last weekend when they routed Grant's Bulldogs 72-50 here and then went over to Stevenson and scored a 60-52 win.

The North Division standings in the Northwest Suburban Conference now look like this: Antioch 5-0, Warren 4-1, Stevenson 3-2, Grayslake 2-3, Grant 1-4 and Round Lake 0-5.

LOCAL FANS ENJOYED Antioch's 22-point victory over Grant here last Friday. Bill Dubek, the 6'4" senior who is averaging nearly 20 points a game, hit on 10 of his 16 field goal attempts and finished with 21 points.

Tom Huebner spent a lot of time at the free throw line and swished 9 of his 10 chances to finish with 13 points. Brian Andrews contributed 10 points and led rebounding with 9.

Coach Andrews called the victory "a good solid game by all squad members. It's about to get in as many players as we can get."

He also praised Dubek's shooting and a "fine effort" by Tom Huebner coming off the bench.

THE SEQUOITS OF FREEDOMVILLE Grant 50-35 and showed an ability to adjust to Grant's changing defense. However, Coach Andrews told his team to make no more mistakes, violations and bad passes. "Kicked Bushi."

Antioch frosh cagers defeat Grant's teams

Antioch's freshman basketball team remained undefeated in conference play when they defeated Grant Saturday at home.

The "A" team won 44-12 and the "B" team was victorious 41-28.

Both teams are 4-0 in conference play. The "A" team is 5-0 overall and the "B" team is 4-2.

In the "B" game Jim Domkowski and Dan Reznar led scorers with eight points each. John Jackson and Gary Volting each added six.

In the "A" game Tim Koesser was top scorer with 12 points. Pete Weber and Mark Pomagay chipped in nine each while Dan Maras and John Ploss each had six. As a team Antioch shot 59 percent from the field. Maras led rebounders with seven and Ploss had six as the Sequoits dominated the boards.

Antioch's next freshman game is at home Saturday at 7 p.m. against a tough Dundee team.

at times and wasn't aggressive enough to handle the molecular play of Grant's Bulldogs.

Yet he naturally was pleased with the 22-point victory over a team that was expected to come within 10 points of

the Sequoits. Antioch led 34-19 at the half, 49-35 after three quarters, and then outscored the visitors 23-15 in the final period.

STEVENSON'S PATRIOTS proved to be a worthy opponent on Saturday night. Antioch led by only 16-14 after the first quarter but enjoyed a 36-25 halftime lead. After that they didn't falter and finished 7 points ahead.

Dubek led scoring again with 19 points and Tom Huebner, the varsity's sixth man, not only made four field goals but had another fine evening at the foul line, sinking 8 of 10 free throws to finish with 16 points. John Eder contributed 10 points.

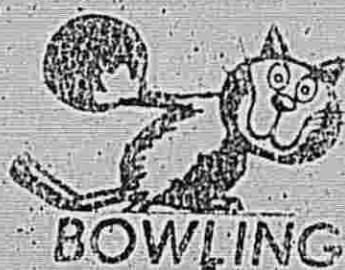

Coach Andrews called Stevenson "a fighting, scrapping, hustling team."

Stevenson jumped to a 10-2 lead but the Sequoits immediately bounced back to take control of the game. They led by as many as 15 points in the second half.

Good defense, rebounding and free throw shooting were factors in the Antioch victory. Coach Andrews said his team also held up well in a hard-fought, physical game yet the Sequoits still had too many turnovers and made only 34 percent of their field goal attempts.

COACH ANDREWS SAID he was proud of his team for keeping its composure when the "rugged and game" could have gotten out of hand in the second half.

The team attitude is real good, the coach said. So Dundee is the next test. Friday night, it should be interesting.

Fishing vacation successful, thanks to the Dittmers

By STEW OLSON

Over the Christmas holidays, my family and I decided
on a Florida west coast vacation.

We heard that the fish were biting in Lemon Bay by
Ft. Leeward, Fla. Being an amateur, I felt I needed a
guide. I met a widely Floridian who looked the part, and he
stayed as long as he had some free time he was willing

He looked familiar, and as we got acquainted, I found he
was the well known fisherman and hunter from the
Antioch area a few years ago, Capt. Fred Dittmer.

On top of that, his son, Capt. Bud Dittmer, well known in
this area as one of the best Lake Michigan coho
fishermen, was there because he had heard that the
elusive snook may be biting.

AT TEN IN THE MORNING we launched the boat and went
up the Fork River. Sea cows were in the water and Capt.
Fred said the cold weather had driven them in. It also
may bring the snook in.

After 3 or 4 tries with different lures, I hooked a 20 lb.
snook and the battle was on. Capt. Fred uses both test line
so you have to do your best to land them.

Lucky for me, Capt. Bud had the net and after a
half hour battle, he netted the gamest fish I have ever
hooked. After catching two trophy fish we went for the
big ones.

THE FOLLOWING DAY we went after trout and Capt.
Fred and I landed 20 big ones.

The next day we searched out the 5 lb. sheepshead and
landed 12 of them, on light spinning equipment. You can't
beat this for real fishing enjoyment.

My wife, Daphne, and children, Jon and Greta, could
spend years trying to fish like we had.

We were lucky enough to have a guide, Capt. Fred, and his
son, Bud. My family had as much fun as I did. I
enjoyed the guidance of Capt. Fred and Bud. I was
lucky to have the equipment and the guide.

Thank you, Capt. Fred and Bud, for a very good vacation.
I will be back soon.

Auxiliary entertains veterans

Antioch's American
Legion Auxiliary enter-
tained 75 veterans at a
party at the Downey
Veterans hospital.

The auxiliary also has
made donations to "The
Chapel of the Four Chap-
lains," the American Can-
cer Society and the Lake
County Long Association.

In honor of its past
presidents the group pur-
chased a book for the
Antioch township library.

Plans are being made for
the auxiliary's golden
birthday in February.

On Jan. 30, at 8 p.m. the
Antioch unit will host a 10th
district board meeting at
the Legion Hall.

Why can't Sophia
Loren join
Lions Club?

By JERRY PFARR

SAW AN ADVERTISEMENT in the Chicago Tribune Sunday for Guy Lombardo's 50th anniversary album. I don't think I'll buy it.

Also I don't plan to buy the official Elvis Presley belt buckle being advertised on television.

They celebrated the 43rd anniversary of ELVIS' birth in Memphis the other day and a preacher actually told the gathering of thousands:

We must learn to live without Elvis.

I'll try. I'll try real hard. Heck, I've learned to live without Sophia Loren, so I can probably make it without Elvis too.

THE LIONS CLUB of Antioch installed officers Monday night and later the new leaders were appropriately honored and pelted with dinner rolls according to the club's tradition. We learned why each man was selected on his particular merits.

The 1978-79 Antioch district governor, Tom Connor, was on hand and he explained that Tom Morris, club president of the State Bank of Antioch, was elected president of the Antioch Lions Club because he leaps and bounds with a galloping horse as much powerful than a speeding bullet, walks on water if seas are calm, and talks with God.

They are first vice president Tom Morris.

Well, O'Connor explained, Tom leaps short buildings with a single bound, is more powerful than a single engine, is just as fast as a speeding bullet, walks on water if seas are calm, and talks with God.

FASCINATED WE THEN asked O'Connor why Paul Eckert was named second vice president.

Paul leaps short buildings with a running start and favorable winds, the district governor explained. He is almost as powerful as a switch engine, faster than a speeding bullet, walks on the water of indoor swimming pools, and talks with God if special request is allowed.

Jim Kinneg, your third vice president, O'Connor continued, rarely climbs medium-size pine trees, loses toes or war with lions of yore, can fire speeding bullets with a well, and is occasionally addressed by God's secretary.

WHILE STARTING TO WALK AWAY, the district governor on necktie and said: Let me know why Jerry Murphy was named secretary. He steps over dog houses with ease, recognizes locomotives instantly, can fire a gun, can float on his back, and can talk with God's secretary if special request is appropriate.

We straightened up the list, O'Connor added. Tony Starovai is the new treasurer because he runs into buildings, recognizes locomotives three out of four times, is not issued with ammunition, can stay aloft if properly instructed, and is a Mac West, and he knows that there is a God.

And on the last item, Dr. Jack Boardman, we said.

O'Connor said to Connor, Jack falls over doorsteps when trying to enter buildings, saves back at the chest, wets himself with a water pistol, plays in mud puddles and mingles with the soil.

And Jack at Jim Drayton over their shoulders dinner rolls, said O'Connor. He's your new, tall twister because he jigs buildings and walks underneath them.

kicks locomotives off the tracks, catches speeding bullets in his teeth, freezes water with a single glance, he is God.

Why Pay More Than Necessary When
You Finance Your Next Car?
It's too bad, but most people do.

Most car banks, finance companies, and most other lenders typically calculate interest on the entire amount you finance when you sign up for the loan. So, you pay interest on the entire amount you finance, regardless of how quickly you pay it back.

But with our revolutionary new Simple Interest Loan, interest is calculated daily and only on your outstanding balance. This means you can save significantly if you pre-pay or pay off the loan early.
